Judge Kurren

Mike Green and I have agreed to settle this case for \$335,000. I have received authority from the agency and from the US Attorney for this figure, so there are no more approvals necessary on my end. I will prepare the standard settlement documents and forward them to Mike by the end of the week. I would ask that the trial schedule be vacated, and that the usual status conference regarding settlement be set 8 weeks down the road.

This settlement is due in no part to your efforts with both sides over the past few weeks and months. I know Mike shares my appreciation for your help. Please let me know if you need more information on this.
